

# HOME MAINTENANCE AND REPAIR CLASS

PACT™ PRE-APPRENTICESHIP CERTIFICATE PROGRAM

In-Person in Our Brand New, State-of-the-Art Workshop!

PRESENTED BY  
Lake County Tribal Health  
Consortium Job Skills Program

IN PARTNERSHIP WITH  
Home Builder's Institute

The LCTHC Human Services offers its native patients an extensive Home Maintenance and Repair class, which prepares the student for an entry-level position in construction.

- HMR classes are for anyone looking to improve their skills in any of the trades listed above. No commitment is necessary and drop-in students are welcome to attend the weekly demonstrations.
- Students who wish to earn a PACT™ certification in one or more of these trades may do so after successful completion of the 12-week basic skills course offered.
- Participation requires attendance of all safety and first aid lectures, including passing safety test, held at the beginning of each 12-week semester.

Workshops will cover one specific home repair/improvement or installation project on one of the following subjects from the PACT certificate core curriculum.

- **Masonry**
- **Plumbing**
- **HVAC**
- **Electrical**
- **Carpentry/Framing**

All Classroom Work is Completed at the Students' Own Pace

Your success matters to us! Personal tutoring and mentoring is given to every student based on their need.
